

**SSM can help your Forklift trainers become more skilled and knowledgeable!**

This two-day course is a must-attend for all new trainers looking for certification – and it's a valuable refresher for experienced trainers, too!

**The course will cover:**

- Requirements of the CSA Safety Standard for Lift Trucks (B335);
- Manitoba's Code of Practice for the Safe Operation of Powered Lift Trucks;
- All makes, models and classes including:
  - Reach trucks;
  - Order pickers;
  - Walkie riders; and,
  - Sit-down counter balanced units;
- Putting your theory course together;
- Setting up practical training; and,
- Giving written and driving tests and documentation.

**June 5 & 6, 2014**
